

Passavant Area Hospital Auxiliary

Auxiliary Membership Application

The mission of the Auxiliary is to advance and promote the welfare of Passavant Area Hospital through methods approved by the Governing Board of the hospital.

This mission shall be accomplished by interpreting to the public the functions, services, and needs of the hospital, by providing services to the hospital and its patients, and by raising funds in a manner satisfactory to the hospital Governing Board, in harmony with the planning of the community.

Our Auxiliary is open to any person who is interested in the work of the hospital. Members pay annual dues of \$10. All dues shall be payable at the beginning of the calendar year, January 1. A life membership is obtained by paying \$150 within a two-year period, making further dues unnecessary.

The Auxiliary manages the Gift Shop and sponsors the Baby Photos. We conduct tours of the hospital for area second-graders through "Mini-Medical Days."
