Donald Kolmer, D.D.S., remembers Passavant Area Hospital with generous gift

Donald Kolmer, D.D.S., bequeathed over $700,000 to Passavant Area Hospital and the YMCA in Jacksonville.

Don had been a supporter of Passavant for a number of years. Don's two aunts, Gladys and Mildred Mills, graduated from the Passavant School of Nursing in 1925 and 1926, respectively. Don was proud of his aunts' accomplishments and liked to show off their Passavant School of Nursing pins. He was thrilled to have them on display in the glass case in Passavant's Lobby along with the photos of the Class of 1925 and the Class of 1926, which are in the book written by Vernon Fernandes entitled "Passavant Area Hospital, 125 Years of Caring." The pins now adorn the nurses' uniforms in the large display case for the Passavant School of Nursing in the hallway close to the Main Lobby of the hospital.

Don enjoyed attending the Passavant Auxiliary Follies, the Christmas tree memorial service and he was a willing participant in a feasibility study for a capital campaign at Passavant a few years ago.

Don touched many organizations in Jacksonville, but most of all he will be missed for his smile and his hearty laugh.

J. Merle Wade and Ruth K. Wade Memorial Fund

Passavant is grateful to be the recipient of another bequest; this time from Merle and Ruth Wade. Roger Deem wrote a very heartfelt article for the Source after Merle died in August 2011. I would like to mention some of that article because it is worth repeating.

"Merle was an active member of the Jacksonville Kiwanis Club and in 1958 when he was club president, the highlight of his year was to lead the club to pledge $1,500 to the Passavant Hospital building campaign. That represents over $11,000 in today's currency. Keith Bradbury, a long time friend and neighbor of Merle's family in Perry was quoted in the article as saying, 'Merle believed that if you cannot or care not to volunteer you should donate to the cause. If you cannot donate, you should promote the cause. Volunteer he did, donate he did and promote he did.'"

The J. Merle Wade and Ruth K. Wade Memorial Fund of over $375,000 is being added to Passavant Area Hospital's Endowment Fund.

Passavant is grateful to Don Kolmer and Merle and Ruth Wade for remembering the hospital in their wills. Passavant relies more on these types of gifts with the uncertainty of healthcare issues by the state and federal governments. Please contact the Fund Development office at 479-5575 for information on Planned Giving.

Remembering Woods Crum

Woods Crum's friends at Passavant were saddened by the death of the last living former trustee. He served on the 1950-1954 Board of Trustees that helped plan the building of the current hospital site on Walnut Street.

Mr. Crum was a supporter of Passavant and an interested former trustee who attended the Board of Governors' meetings, the donor luncheons, and other events at the hospital as long as he was able. His nephew, Jim Crum, brought him to his last program at Passavant, presented by Walter Meyer, M.D., on the History of Passavant Hospital. He visits with Chester A. Wynn, President & CEO, in the above photograph. Mr. Crum commented that he had assisted in the transfer of patients from the hospital on East State to Passavant's current location. In 2010, Mr. Crum was presented with a plaque on his 60th anniversary as a former trustee. Mr. Crum was 95.
Two ways to provide support for your hospital

**Grains for Health**

Grains for Health is a program that allows farmers to designate 100 bushels of grain to be donated to Passavant Area Hospital when they unload at local elevators.

**Why is giving grain better than writing a check to Passavant Area Hospital?**

Because there are significant tax benefits of giving grain instead of cash.

Donated grain is not recorded as income, so you may save some of the following taxes:

- Self-employment tax of approximately 15.3 percent.
- State income tax of approximately 5 percent.
- Federal income tax (e.g., those who do not itemize deductions).

The total tax savings can be substantial.

Passavant Area Hospital is recognized by the IRS as a fully-qualified 501(c)(3) organization.

Donors with any questions should check with their personal tax advisor prior to making a Grains for Health donation to Passavant Area Hospital.

The Grains for Health Form is available by clicking the "Online Giving" link at passavanthospital.com, or by contacting the Fund Development office, 479-5575.

**Charitable Gift Annuity**

Below is a sample income comparison of a CD and a Charitable Gift Annuity (CGA) with a 28 percent tax bracket for Helen R.

**Income Comparison of CD and Charitable Gift Annuity (CGA) with a 28% Tax Bracket**

<table>
<thead>
<tr>
<th>Income Earned from a CD</th>
<th>Income Earned from a CGA</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Helen R. is 75</td>
<td>• Helen R. is 75</td>

CGA pays $2,579 more per year after taxes than a CD. Example is with ordinary income taxes at 28% and no capital gains tax.

Pictured above are some of the volunteers who worked selling the Duck Race for Lifeline tickets and t-shirts, cleaned and counted ducks, bought tickets, and cheered for the ducks on the water at Nichols Park on May 20. Also, thanks to those who are not pictured. Vivian Mussatto of Jacksonville captured the first place prize of $1,000. Rama Brennan won the second place prize of $500, while Keith and Mary Zenge took home $300 for third place. Mary is a former Passavant employee. Funds raised were $30,665 and benefit the Passavant Lifeline Program by providing updated equipment and to give Lifeline grants to help those people who cannot afford Lifeline without assistance.

Tony Williams, left, President of the Jacksonville Rotary Club, presents a $300 check for Passavant’s Duck Race for Lifeline to Chester A. Wynn, President & CEO, at a recent Club meeting.

Greg Lepper, Chair of Passavant’s Farm Committee, was Master of Ceremonies at the March 15 annual Farm Operators’ Dinner. Chester A. Wynn, President & CEO, (right) also thanked the farmers for their work on behalf of Passavant Hospital.

The annual Farm Tour was June 28. Members of the Passavant Board of Directors, hospital management, farm managers and farm operators for the Nellie Rice, Rowe farm (hospital site) and Gordon farms (Scott County) toured and joined other farm operators at Dr. Leutz’s lake for a picnic in the comfort of his storage building. Transportation was provided by West Central Mass Transit.

Kevin Eckhoff, Race Director for the Passavant-Powerade 5K and 10K Race, presents a check for $500 to Leanna Wynn, Clinical Director for the hospital’s Oncology Unit. These 2012 Race proceeds are being used to assist the Mia Ware Foundation in their renovation of one of the Oncology Unit’s treatment rooms. Bill Rodgers, a four-time winner of the Boston and New York City Marathons and a cancer survivor, was the Race’s special guest.
We want to thank those who support the hospital in its continued pursuit of excellence. Many of these people are recognized on plaques throughout the hospital, and it is a privilege to honor those individuals and organizations listed from whom we received gifts from January 1, 2012, to June 30, 2012. The memorials listed in this issue of Cornerstone are also listed in a Memorial Book located on the First Floor at Passavant Area Hospital.

One of the nicest things a person can do is to make a gift in memory of someone. A donor tribute envelope is included in each newsletter. If you have given recently, or cannot help at this time, please tuck the envelope away and help us some time in the future. Whether it’s a $10 or $1,000 gift, it will ensure the care of patients today and in generations to come.

Sincerely,

Diana H. Olinger
Director of Fund Development

Why do we donate?

Giving to Passavant Area Hospital is at the top of the annual giving list for my wife and me. There are many reasons why Passavant is important to us and why we give, chief among these reasons is the quality experiences we have had at Passavant as patients. The dedication of the physicians, nursing staff and all employees creates a "cared for" feeling. I have often asked others the question "What would Jacksonville be like if Passavant Area Hospital was not here?" The answers are numerous. Passavant is the largest employer in Jacksonville with over nine hundred employees. Those jobs are important to the Jacksonville area economy. The new Emergency Department offers the area quality emergency service without having to go out of town. Passavant has long offered care for those who are uninsured or with limited ability to pay for service. Each year charity care from Passavant totals millions of dollars. Passavant is also deeply involved in area community activities from sponsoring cultural and sporting events to business partnership with local schools. The Passavant Board of Directors and Administration view the hospital as a friend to the service area and the caring attitude among the employees makes me feel comfortable that my contribution is being well spent.

Guardian Angels

The Guardian Angel Program at Passavant allows grateful patients, their family members and friends an opportunity to support the hospital by honoring a special staff member, physician, or volunteer who made a difference during their visit or stay at the hospital.

Listed below are recent Guardian Angels who were recognized with a donation to Passavant in their names and the names of their donors:

- In recognition of Allie Harrison from Lucille Mason
- In recognition of Amanda Kollman from Carolyn Gansz
- In recognition of Debbie McEvers from Paula Ferguson
- In recognition of Rosemary Petefish from Rev. Roger Simpson
- In recognition of Crystal Seymour from Barbara C. Slaton
- In recognition of Charles Sheaff, M.D. from Myron Leahr
- In recognition of Stuart Slaton from Barbara C. Slaton
- In recognition of Grace Schwalb from Vicki, Mick, and Mallory Selby
- In recognition of the Transitional Care Unit from Marjorie A. Breckon
- In recognition of Susan Weikert from Mrs. E. C. Bone

You can support Passavant while paying tribute to your Guardian Angel – the individual who made the difference in your visit or stay. Your caregiver will receive a Guardian Angel pin, a bookmark stating the name of the donor, a listing in the display case, recognition on Passavant’s website and Facebook page. If you want to name a Guardian Angel, contact the Fund Development office, 479-5575 or online at passavanthospital.com, “Online Giving.”

**Annual Giving Clubs**

The Annual Giving Clubs play an important role in the continued progress and growth of Passavant. Thank you for helping us toward our goal of filling our donor plaque. An annual gift of $100 or more adds your name to the donor plaque. If you want to help “fill up” the Annual Giving plaque in the hospital lobby and have your name listed in Cornerstone, please complete the enclosed envelope and designate the area of support in which you are interested.
